

Aloha Colleagues!

As we start our third year of Hawai'i's Our Care, Our Choice Act (OCOCA), please join us for the first session in our educational series on the implementation of the law and models for normalizing and integrating end-of-life choices into standard medical care.

The first webinar focuses on the clinical competencies, the nuances of the patient evaluation, the nursing and navigator role, and medication protocols involved in all end-of-life choices with particular emphasis on medical aid in dying, presented by a Physician, RN, APRN and Psychologist.

What: Care and Choices at the End of Life: Hawai'i's new Our Care, Our Choice Act (Session One)

When: January 13, 2021, 5:30-7:00 p.m. HT

Where: Online, from wherever you are!

[RSVP](#)

We will be offering 5 additional webinars throughout the first 6 months of 2021. Below are the dates for our first 3 sessions. Sessions will focus on particular specialties; however, you can participate in any or all sessions. Topics include, but are not limited to:

- January 13, 2021: ARPNs-Patient Navigators-Oncologists (Specialty & General Medicine Focus)

- February 4, 2021: RN-APRN-Patient Navigator-Physician (General Medicine Focus)
- February 24, 2021: Social Worker-LCSW-Psychologist-Physician (Mental Health Focus)

Each session will include expertise and information from our experienced Clinical Professionals representing Kaiser, Hawai'i Pacific Health and Independents who will discuss how the law has been working, share personal stories and answer your questions regarding medical aid in dying. In addition, the sessions will include an overview of the law, what's coming up in 2021, and the role of pharmacists in relation to medical aid-in-dying medications. Sessions will include presentations, a panel discussion and questions and answers from the audience.

There is no cost to participate in these webinars.

These trainings will provide you the tools necessary to help terminally ill individuals and their families in communities across Hawai'i and access the full range of end-of-life options. Please share this with any clinicians you know!
